## Level 2 Functional Skills Qualification in English: Speaking, Listening and Communicating (SLC)

### Assessment Theme: Quality of Life

#### Scenario:

A high quality of life is something we all aim for, encompassing various aspects like health, relationships, financial stability, and job satisfaction. However, defining and achieving it isn't always straightforward. With numerous factors at play, it can be challenging to navigate.

Explore methods to improve our lives personally and consider how these strategies can positively impact our communities as well.

### You will need

- a pen or a pencil
- appropriate note paper

### Time allowed: 20-30 minutes (with scheduled break)

There are two tasks to be completed:

- Task 1
  - 1A – Presentation
  - 1B – Question and Answer
- Task 2 – Group Discussion

You will be given 2 hours of preparation time to prepare a presentation of 5-7 minutes.

There will be 3-5 minutes permitted in Task 1B to allow for questions and answers.

If you are completing both tasks in one session then there will be a break of 10 minutes after Task 1B.

10-15 minutes will be scheduled for Task 2 Group Discussion

## Task 1A: Presentation (5-7 minutes)

### Instructions

You will be assessed against:

- identify relevant information from extended explanations or presentations
- follow narratives and lines of argument
- respond effectively to detailed or extended questions and feedback
- make requests and ask detailed and pertinent questions to obtain specific information in a range of contexts
- communicate information, ideas and opinions clearly and effectively, providing further detail and development if required
- express opinions and arguments, and support them with relevant and persuasive evidence
- use language that is effective, accurate and appropriate to the context and situation
- make relevant and constructive contributions to move a discussion forward
- adapt their contributions to suit the audience, purpose and medium
- interject and redirect a discussion using appropriate language and register

### Presentation topics

Select an appropriate topic with the assessor from the list.

Topic list:

- Key Hurdles Faced by Public Transportation Systems
- Contemporary Health and Wellbeing Concern
- Balancing Funding for Physical and Mental Health Support
- Effective Personal Financial Management Strategies
- Achieving a Healthy Work-Life Balance

### Instructions for end of task

After 5-7 minutes the presentation will be brought to a close.

The assessor will inform you of the next part of the task, in which you will be required to answer questions from the audience on your presentation.

## Task 1B: Question and Answer (3-5 minutes)

### Instructions

You will be assessed against:

- identify relevant information from extended explanations or presentations
- follow narratives and lines of argument
- respond effectively to detailed or extended questions and feedback
- make requests and ask detailed and pertinent questions to obtain specific information in a range of contexts
- communicate information, ideas and opinions clearly and effectively, providing further detail and development if required
- express opinions and arguments, and support them with relevant and persuasive evidence
- use language that is effective, accurate and appropriate to the context and situation
- make relevant and constructive contributions to move a discussion forward
- adapt their contributions to suit the audience, purpose and medium
- interject and redirect a discussion using appropriate language and register

### Question and answer session

Once your presentation has finished, you will invite questions from the audience on the topic. You should react and respond accordingly to each question offered by the audience.

During the presentation, all audience members will provide at least one relevant question to ask in this session. Questions are only to be asked at the end of the presentation.

The assessor will bring the question and answer session to a close after a maximum of five minutes and the assessor will give a time warning if necessary.

## Task 2: Discussion (10-15 minutes)

### Instructions

You will be assessed against:

- identify relevant information from extended explanations or presentations
- follow narratives and lines of argument
- respond effectively to detailed or extended questions and feedback
- make requests and ask detailed and pertinent questions to obtain specific information in a range of contexts
- communicate information, ideas and opinions clearly and effectively, providing further detail and development if required
- express opinions and arguments, and support them with relevant and persuasive evidence
- use language that is effective, accurate and appropriate to the context and situation
- make relevant and constructive contributions to move a discussion forward
- adapt their contributions to suit the audience, purpose and medium
- interject and redirect a discussion using appropriate language and register

### Discussion topic

**Title:** Obesity, lack of exercise, rise of disease, and lack of access to healthcare have all been identified as threats to health and wellbeing in today's society. Which of these is the most and least threatening?

**Aim:** The group should aim to reach an agreement about the ranking of these pre-identified threats. They must identify the most and least threatening of these. All options must be discussed and then ranked according to group consensus.

### Instructions

Following Task 1A and Task 1B, you will be required to take part in a group discussion (identified above). During the discussion, you are required to ask relevant questions and encourage natural conversation to obtain specific, pertinent information and achieve any outlined goals.

Assessors will make limited interventions into the discussion.
