Introduction

As announced in January, the pricing and fees of some of our products and services will change on **Tuesday 1 April 2025**.

This document outlines these changes. If a product or service is not listed in this document, the pricing and fees will stay the same as it has been during the 2024/25 financial year (1 April 2024 – 31 March 2025).

This means that we're announcing an **end-point assessment price freeze**. Pricing and fees for EPA will remain exactly as they have been during FY 24/25.

Thank you for your continued partnership. We're looking forward to many more years of supporting you and your learners.

The Skills Network Discount

TQUK is extremely proud of its strategic partnership with The Skills Network (TSN). Specialists in online distance learning, TSN has helped FE colleges and independent training providers nationwide to deliver qualifications and create opportunities for all.

We're pleased to continue offering a **discount on the registration fee** for centres who purchase TSN resources to deliver the qualifications marked in **blue** in the 'Regulated Qualifications Fee Changes' list. From 1 April 2025, the cost in these circumstances will be **£41.00**.

Please note: customers are responsible for notifying us if they are eligible for a TSN discount. This must be done upon qualification approval or centre recognition.

Paper Certificate Surcharge

The surcharge for paper certificates will be **£3.00 each**. Paperless certificates will remain free. All centres are set to paperless by default in Verve Reg and Cert.

Functional Skills Paper Exam Fee

In 2025, we're pleased to be introducing a centre print function. This new option allows customers to **print Functional Skills papers on their premises**, helping save time and admin costs. It has a provisional launch date of 1 April 2025.

You will still be able to request that TQUK prints papers on your behalf, but when the feature launches, we will be introducing a **surcharge of £10 per paper printed by TQUK**. Papers will still be subject to our current delivery charge of £12.95 per batch of 20 or fewer.

From the launch of centre print, our pricing and fees for paper-based Functional Skills will be:

	Maths	English (Reading)	English (Writing)
Invigilation fee	N/A	N/A	N/A
Resit fee	£16	£8	£8
Paper admin fee (only applies for TQUK-printed papers)	£10 per paper printed* †	£5 per paper printed †	£5 per paper printed †
Delivery fee (only applies for TQUK-printed papers)	£12.95 (per batch of 20 papers or fewer) †		

*£10 fee covers both Calculator and Non-Calculator papers.

† Fees also apply to resits.

Adjustment to Withdrawals and Licences

Withdrawing a registered learner on the Verve Reg and Cert system will result in a qualification license being generated. Once generated, the licence can be used to register another learner onto the same qualification.

This means that centres can register learners early without risk of losing the cost of that registration should that learner then withdraw. Additionally, it allows administrative errors to be corrected without costs being incurred.

As communicated in [last year's price review](#), from 1 April 2025, learner withdrawals will only produce a license if the learner is withdrawn **within three months of the registration**.
